HELPING HEROES HEAR CLEAR

Clear Products, Inc.™, a leading Homeopathic/Herbal Company, Offers Relief to Returning Veterans and Americans Suffering from Tinnitus

(SAN DIEGO, CA) – Hearing damage is the number one disability produced by the war on terrorism per the Department of Veterans Affairs. With the war continuing in Iraq, many veterans are faced with the debilitating condition of Tinnitus, a ringing in their ears that continues to persist even after they have returned home. Nearly 70,000 of the 1.3 million troops who served in war zones in Iraq and Afghanistan are collecting disability for Tinnitus, a potentially debilitating ringing in the ears.¹ They are faced with no cure and few medical alternatives. Clear Products, Inc.™, is proud to provide a natural solution for Tinnitus to America's returning veterans and the more than 50 million Americans who similarly suffer from Tinnitus², called **Clear Tinnitus®**.

Hearing damage has been a leading disability among combat personnel since World War II, with current US Troops suffering hearing damage at about the same rates. This number is expected to grow at 18% per year with disability payments estimated to total \$1.1 billion by 2011, according to an analysis of Veteran's Administration (VA) data by the American Tinnitus Association. Backed by clinical studies and sold in leading health stores and Walgreen's nationwide, **Clear Tinnitus®** has improved the lives of many. It is in this way that Clear Products, Inc.™, continues its dedication to helping people, families, and veterans in a safe, natural, healthy way.

"We feel it is critical to realize how issues such as Tinnitus affect the quality of life for people in all walks of life," explains Skipp Neville, President of Clear Products, Inc.™, "From veterans to surfers, musicians to seniors, Tinnitus is an issue that affects people across the board and it is critical to realize there is an effective, non-invasive, natural

solution. We developed **Clear Tinnitus®** to provide relief, and we are truly honored to help America's heroes, our veterans."

Clear Products' dedication to providing healthful solutions is further exemplified by their commitment to working with the nationally acclaimed non-profit Nourish America (www.nourishamerica.org) to provide nutritional supplements, such as **Clear Tinnitus®**, to those veterans who may not be able to afford the treatment they need on an immediate basis. Sharing Clear Products, Inc.™, enthusiasm, Mr. Neville explains, "Nourish America's program of Americans helping Americans is truly critical during these times of need. We love the idea of helping returning veterans in such a healthful way with **Clear Tinnitus®**. We are honored to be part of such a great program."

Clear Tinnitus® is the original all-natural formula discovered in 1998 to provide safe, temporary relief from tinnitus. This unique proprietary blend of 13 herbs is scientifically formulated to work in combination with active homeopathic ingredients to provide temporary relief of tinnitus.

One Tinnitus sufferer explains, "I have been a severe tinnitus sufferer for at least 25 years...I had severe hearing loss in my right ear, with constant noise of roaring and whistling. Whilst in Florida I noticed your **Clear Tinnitus®** product and purchased it from Walgreens...The real surprise came when I took 2 pills just before bedtime and next morning my hearing returned to a level not enjoyed for a long time, the humming and roaring levels were reduced so greatly it was remarkable. Thank goodness I found your **Clear Tinnitus®** pills!" -P.B.

Clearly dedicated to upholding the ideals of sustainability, health and wellness, the collaboration between Nourish America and Clear Products, Inc.™, expands Nourish America's support to provide access to nutrition and health education for people of all socio-economic levels, from low-income families to inner city tutoring centers, disaster survivors and returning veterans.
